

**Job Title:** Early Childhood Community Health Worker Regional Coord.  
**Department:** Supporting Early Education and Development  
**Last Revised:** 9/2021

### **Definition**

The Regional Coordinator position oversees the local implementation of the Nevada Community Health Workers (CHW) in Early Childhood Settings project. The first year of this project is a pilot serving the Reno/Sparks and Las Vegas communities. In year two, the pilot expands to rural communities including those on sovereign land (i.e., tribes). This position oversees CHWs in early childhood settings. CHWs visit individuals and families in early childhood settings to provide basic community outreach services and to assist with programmatic interventions necessary in an effort to increase access to health and community services for families with young children as well as the early childhood workforce. CHWs may provide information on available resources, provide social support and informal counseling, advocate for individuals and community health needs, and provide services such as developmental screening for children.
