

Registration Guidelines

The Children's Cabinet must follow Nevada Registry training guidelines in issuing credit for our webinar training's. The Nevada Registry states, "To receive credit for attending a training, it is imperative that attendees be present at the training for the entire scheduled time frame. If the accumulated time out of class (including late arrivals, extended breaks and early departures) extends beyond 15 minutes total, then no class credit should be granted. (Approval codes are specific to the number of hours approved and cannot be adjusted for partial attendance)." Additionally, so we can account for each participant, all attendees must register and attend under their own name.
