Keeping Children Safe & Families Together

Substitute Teacher Service

The Early Childhood Support Network (ECSN) offers substitute teachers for licensed child care centers and family child cares in the metro areas of Reno/Sparks/Carson City and North Las Vegas/Las Vegas/Henderson/Boulder City.

The Children's Cabinet employs a qualified team of early childhood educators. Our staff are fingerprinted and carefully screened. Teachers provide quality care by staying abreast on current child care research, including the Environmental Rating Scales (ERS), best practices, and licensing and safety regulations. Teachers often role model and collaborate with providers to reach a common goal of quality child care. Our staff are able to perform day-to-day tasks that are required in child care settings.
