

Join the Nevada Pyramid Model's efforts to ensure children's success by submitting your suspension and expulsion data. Your input is vital for developing strategies to support early learning and care settings.

**Submit Your
Suspension & Expulsion
Data Today**

What is Suspension?

- Any time a child is removed from the learning environment due to behavior
- Sending a child home early due to behavior
- Creating an alternative schedule due to behavior
- Pausing attendance in the program due to behavior

What is expulsion?

- Permanent removal of the child from the childcare setting

How We Use Your Data

We use this information to understand the challenges affecting Nevada's young children and their childcare providers, aiming to develop effective improvement strategies.

Our Commitment to Support

We are dedicated to connecting with early learning settings, offering support and resources to address their unique needs, and fostering a nurturing environment for all children.

Confidentiality Assurance

We keep all submissions confidential and only share non-identifiable information when necessary, ensuring your data is used responsibly and ethically.

Do you need support?
