

2025 Adopt A Family Holiday Program

Job loss, home loss, and financial hardship.

Help us bring holiday cheer to local families who are struggling to make ends meet. The children's Cabinet's Adopt A Family Holiday Program serves our clients throughout Nevada experiencing the greatest financial hardship.

How does it work?

- **Decide how many families and what size family you would like to provide gifts for.** We have families of all sizes in need and **suggest a budget of \$50 minimum per family member.** Gifts for each family member can be provided as physical gifts or a combination of gifts and gift cards. Please fill out the sign up sheet.
- **You will receive information about your family,** including first names, ages, gender and detailed wish lists. Please remember that the holidays are a time for dreaming! We encourage our families to provide as much detail as possible.
- **Go shopping and have fun!** NO large, heavy, or used items, please. Bikes are okay.
- **Wrap your gifts and label each one** (including gift cards) with the family number and each individual's name. **Please put all wrapped and tagged gifts in a large/heavy-duty plastic lawn or garbage bag, with the family number labeled on the outside.**
- **Gifts need to be dropped off at our Rock Office** (1090 S. Rock Blvd.) **by December 10th!** Gifts can be dropped off during the following set days and times:
 - Thursday, December 4th - Friday, December 5th from 7:30am - 5:00pm
 - Saturday, December 6th from 12pm - 3pm
 - Monday, December 8th - Wednesday, December 10th from 7:30am-6:00pm

This is an anonymous program - asking for help can be tough and we respect the confidentiality of everyone involved. You will not be able to meet the family you are adopting.

Thank you for your generosity!
