Tip: Be sure to use an email address that you regularly check so you can receive important training information and updates.

Is there a SkyPrep mobile app?

Yes! SkyPrep offers a free mobile app that allows you to conveniently search for available courses, enroll in training, and manage your learning from your mobile device.

The app is a convenient option for accessing your professional development opportunities while you're on the go.

Courses & Registration

Can I still register for training through Eventbrite?

No. Beginning **October 1, 2026**, all professional development course registration will take place through the new **SkyPrep Learning Management System**.

SkyPrep will be your central location for finding and registering for available training opportunities.

Starting October 1, 2026:

Find it. Enroll. Learn. Track your progress.

All in SkyPrep!

How do I find, register and enroll in a course?

Once you have created your SkyPrep profile:

1. Log in to your account.
2. Browse the available professional development courses.
3. Select the course you are interested in.
4. Review the course information and requirements.
5. Select **“Enroll”** and **“Register”** to complete your enrollment.

Certificates & Completed Training

How do I access my professional development certificate?

Your completed training certificates are available directly through your SkyPrep account.

To access your certificates:

1. Log in to your SkyPrep profile.
2. Select **“Completed Learning.”**
3. View your completed courses.
4. Access your available professional development certificates.

Your **Completed Learning** section provides a convenient way to keep track of both current and previously completed training.
