Licensed Provider Registration Checklist

Child Care Resource & Referral Program

- This program matches the characteristics of your program (e.g., location, hours of operation, ages of children served, curriculum offered) to the needs of parents and caregivers searching for early childhood programs. The more accurate your information is, the more accurately we can match parents’ needs to the services you provide.
- The Children’s Cabinet provides thousands of referrals to parents and caregivers every year regardless of income level.
- Resource & Referral (R&R) is an excellent way to market your program without paying advertising costs.

R&R Required Documentation Checklist

The State of Nevada Division of Welfare and Supportive Services (DWSS) Child Care Manual outlines the rules and regulations for participation in the Child Care and Development Program (CCDP) for both providers and clients. This document constitutes an agreement between the Child Care and Development Program (CCDP) and the child care provider. It outlines the responsibilities of all parties in meeting the needs of Program participants in accordance with the DWSS policies, and the best practices of the CCDP.

I. DOCUMENT REQUIREMENTS

The following documentation is required to register with the CCDP, receive payments, and remain a subsidy provider with the CCDP. Failure to provide requested documentation in the timeframes given for initial registration or continued participation may result in delayed payment and/or non-reimbursement.

A. Service Agreement (this document)
   1. All providers must have a current Service Agreement on file with the CCDP.
   2. The Service Agreement is in effect until terminated by either party or program requirements change.
   3. If provider requirements change, a new Service Agreement will be sent to you and you must sign and return the new Service Agreement to the issuing child care office.

B. Provider Registration Form
   1. The Provider Registration form must include current name, tax identification number, address (physical and mailing), phone number, days and hours of care, and days closed.
   2. If you have changes to the information you provided when you registered, those changes must be reported to CCDP within 10 days (back-up documentation may be required/requested). Failure to report changes within this timeframe may result in an overpayment and/or a program violation.

C. Provider Rate Information and Reporting Changes
   1. Providers must report their rates and other fees charged either on the Provider Registration Form or by providing a rate sheet that is used with parents.
      a) Licensed providers must report rates for all ages of children for which the provider is licensed.
   2. Providers cannot charge CCDP clients different rates than they charge the general public.
   3. Providers can charge any rate; however, the CCDP will only pay up to the State daily maximum reimbursement rate, which is set by DWSS based on provider type, geographical area, and the child’s care level.
   4. Payments will be made based on the following care levels regardless of how the provider classifies the children into classrooms (Note: The care level changes on the child’s birthday).
      a) Infant – newborn up to 1 year
      b) Toddler – 1 year up to 3 years
      c) Preschool – 3 years up to 6 years
      d) School Age – 6 years up to 13 years
      e) Special Needs – 13 years up to 19 years
   5. Child care rate changes need to be submitted within 10 days of the rate change. New rates will be effective on the 1st of the month following a 30 day notice period as long as all required documentation has been submitted and received (Example: rates submitted on June 5th will be effective August 1st).

D. W-9 Tax Form
   1. An Internal Revenue Service W-9 Form must be completed upon program registration and within 10 business days of any change in provider name, business name, tax identification number, or address.
      a) Licensed Providers: a change in the service address will not be completed without the addition of an updated license for the new service address.
      b) Family Friend and Neighbor (FFN) Providers: A change in the service address will not be completed without proof of residence such as a rental agreement or utility bill.

E. Background Checks
   Providers and all persons over the age of 18 who have access to the child(ren) must be able to pass a complete background check and be free of criminal convictions that are listed on the DWSS’ Background Information Disclosure Form. Additional requirements regarding background checks will be forthcoming.
F. Child Attendance and Provider Reimbursement Timesheet (Timesheet)

1. Provider must make timesheet(s) accessible to clients on a daily basis so they can fill them out and sign confirming the accuracy of the completed timesheet(s).
2. The “Childs Enrollment this Month” and “School Bell Schedule” sections of the Timesheet must be completed no later than the first day of attendance for the billing month.
3. All days that the child is scheduled to use care but does must have an absent reason.
4. All authorized discretionary days must include the clients initial next to the discretionary day.
5. Timesheets must be completed and signed by the client and provider and submitted by the last business day of the month following the service period. If the client’s signature is not available, you must provide a reason why and supporting verification (if requested) in order to be reimbursed. Signing the Timesheet for the client is a program violation.
6. Timesheets submitted for reimbursement must be originals for each child with original signatures from both the client and provider (legible faxed and scanned Timesheets will be considered to have original signatures).
7. Providers are to keep copies of the timesheets on file for a period of one year. In the event that there are discrepancies between attendance and payment, copies of your records may be requested for auditing. The timesheet copies in your records must match the original timesheet you submitted for reimbursement.

Billing for services on days and hours when care was not provided may result in an overpayment and/or a program violation unless the client has authorized a discretionary day or the client is authorized to use child care based on an approved schedule (this will be indicated on the Certificate).

G. Immunization Records

1. All children enrolled with the child care provider must be up-to-date on their immunizations and have current immunization records on file with the provider.
   a) Providers who are not related to the child and provide care in the providers’ home must have immunization records on file for all children who are not enrolled in school.

II. PAYMENT (REIMBURSEMENT) PRACTICES

All reimbursements are based on the client’s eligibility. Providers will be reimbursed for services in accordance with the approved rate (the lesser of the provider’s actual rate or the state maximum rate for each care level), less any co-payment. If you charge more than the state maximum reimbursement rate, the overage, as well as any co-payment, is the sole responsibility of the client. CCDP child care reimbursements are paid directly to the provider.

A. Certificates

1. Once you accept/receive a Child Care Certificate, CCDP participants are not required to pay the full cost of tuition up-front and in full prior to attendance.
2. The approved reimbursement rate is documented on the Child Care Certificate for each eligible child.
3. It is your responsibility to ensure that the Child Care Certificate received is current, covers the schedule utilized by the client, and is valid for the site where services are being provided. CCDP participants are required to obtain a new Child Care Certificate when circumstances change and when they transfer providers, even within the same child care chain.
4. Reimbursement for child care services is based on either actual attendance or approved schedule as specified on the Child Care Certificate.
5. CCDP is not responsible for payment of days and hours not covered on the Child Care Certificate; this is the responsibility of the parent.

B. Payments

1. Reimbursements will be issued within 30 business days after timely timesheet submittal in accordance with Section I.E.
2. Child Care Attendance and Provider Timesheet submitted after the last day of the month following the service period (e.g., timesheets submitted August 1 or later for the month of June) are subject to non-payment.
3. Payment issues and discrepancies are your responsibility and must be resolved within 60 days of receiving payment for services. Submittals outside this timeline are subject to non-payment.
4. CCDP will not deduct taxes, insurance, or other coverage for providers from their CCDP reimbursements (also see Employment in section IX.C).
5. CCDP participants are responsible for maintaining current co-payments with providers.
6. All providers are responsible for keeping records of copayments and overages received from the client and providing the client a receipt for payment.

C. Reimbursable Fees

**Part I  Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3.

Note. If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose number to enter.

**Part II  Certification**

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from the FATCA reporting, is correct. See Exemption from FATCA reporting code (if any) (Applies to accounts maintained outside the U.S.)

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

**Purpose of Form**

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners’ share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See What is FATCA reporting? on page 2 for further information.
Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester’s form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners’ share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust and not the beneficiaries of the trust;
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “saving clause.” Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See Exempt payee code on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see Special rules for partnerships above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See Exemption from FATCA reporting code on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $50 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. Sole proprietor or single-member LLC. Enter your individual name as shown on your 1040/1040A/1040EZ on line 2. You may enter your business, trade, or “doing business as” (DBA) name on line 2.

Enter the owner’s name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. Enter the disregarded entity’s name on line 2. “Business name/disregarded entity name.” If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.
**Line 2**
If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

**Line 3**

If the LLC has filed Form 8332 or 2553 to be taxed as a corporation, check the “Limited Liability Company” box and in the space provided enter “C” for C corporation or “S” for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the “Limited Liability Company” box; instead check the first box in line 3 “Individual/sole proprietor or single-member LLC.”

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see How to get a TIN below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see Limited Liability Company (LLC) on this page), enter the owner’s SSN (or EIN, if the owner has one). Do not enter the disregarded entity’s EIN. If the LLC is classified as a corporation or partnership, enter the entity’s EIN.

**Note.** See the chart on page 4 for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write “Applied For” in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Entering “Applied For” means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution.** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-9.
Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see Exempt payee code earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been previously notified that you have previously given an incorrect TIN. “Other payments” include payments made in the course of the requester’s trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Note. Grantor also must provide a Form W-9 to trustee of trust.

Note. If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice.

Your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338). Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

1 List first and circle the name of the person whose number you furnish. If only one person on a joint account has an SSN, that person’s number must be furnished.

2 Circle the minor’s name and furnish the minor’s SSN.
